

## Chamber Health Benefits Plan

### A Self-Funded Option for Small Employers

The Greater Akron Chamber and SummaCare have partnered to offer Northeast Ohio small businesses a new health benefits program aimed at controlling costs. The Chamber Health Benefits Plan is a multiple employer welfare arrangement (MEWA). This self-funded health insurance option allows employers with 50 or fewer employees to join together to share in the healthcare costs of their employees. By being part of a larger, self-funded pool, employers can receive potential savings and have financial protection against unexpected claims costs.

Businesses domiciled in the MEWA service area and a member in good standing with the Greater Akron Chamber or as a regional member through the Stow-Munroe Falls Chamber of Commerce are eligible to enroll.

The Chamber Health Benefits Plan offers:

- Competitive rates
- A variety of SummaCare PPO plan designs including HSA-compatible plans
- Multiple provider network and pharmacy plan options
- Comprehensive health and wellness services

SummaCare has been serving the needs of local employers for over 25 years and is proud to offer outstanding customer service and account management.
